

OUR CHAUTAUQUA DAILY!

Synopsis of Our Plans

WE announced last week that The Tribune would launch a Daily Paper during Chautauqua week. We were not able to give any of the details at that early date. The plans have been completed now and all arrangements are made for a real, live, full-grown Daily Newspaper.

It will be a six-column, four-page paper, full of news and interesting reading matter. Falls City's progressive merchants will be represented with conservative advertisements, extending you invitations and quoting prices.

The Chautauqua News will be a special feature of The Daily, but the city and county will in no wise be neglected--every department will be kept up to the high standard of The Tribune.

The Daily Tribune will be furnished to subscribers of the Weekly Tribune and every patron of the rural routes out of Falls City (whether subscribers or not) without cost--FREE. Campers at the Chautauqua grounds will be served with a FREE COPY every evening by a Tribune carrier.

If, while attending Chautauqua, you have occasion to make a purchase, consult the Daily Tribune advertisements. The merchants whose ads will appear therein are the merchants who have made arrangements for you--the ones who can wait upon you in the least possible time, the ones who will give you a cordial welcome and will show their appreciation of your business by their fair dealings with you.
